

Dear Hiring Manager,

With a Ph.D. in Mathematics and extensive experience in AI development, I have consistently integrated data into unified formats and developed intelligent, predictive models. My proficiency in Python, TensorFlow, PyTorch, and NLP, along with my understanding of financial systems, aligns with your requirements. My work at Finzor Ltd demonstrates my ability to lead teams and deliver AI solutions, ensuring data privacy and security.

Best regards, Itay Ben-Dan

Best regards,

Itay Ben-Dan
