

Dear Hiring Manager,

I am writing to express my interest in the AI Developer position at [Company Name]. With over 3 years of experience in developing and deploying AI solutions, specifically in finance and data-driven domains, I possess the expertise required for this role. My experience in NLP techniques, machine learning frameworks like TensorFlow and PyTorch, and building AI models for automation and data standardization aligns perfectly with the job's responsibilities. I am particularly skilled in automating invoice reconciliation and creating unified data formats across financial systems. I am eager to leverage my skills to contribute to your team's success.

Best regards,

Itay Ben-Dan
