

Dear Hiring Manager,

I am excited to apply for the AI Developer position. With a PhD in Mathematics and over 3 years of experience developing AI solutions in finance, I have implemented machine learning models to automate invoice reconciliation and unify diverse data formats. At Finzor Ltd., I led the creation of portfolio management tools, demonstrating my ability to translate complex requirements into effective technical solutions. My expertise in Python, TensorFlow, and NLP aligns perfectly with your needs.

Best regards, Itay Ben-Dan
