Dear [Hiring Manager's Name],

I am writing to apply for the AI Developer position, bringing over 3 years of experience in AI and machine learning within finance. At Finzor Ltd., I successfully led a team in developing AI tools for financial transaction analysis, and my work integrating data from various systems into a unified format directly aligns with your requirements. Skilled in Python and ML frameworks like TensorFlow and scikit-learn, I also have a proven record of enhancing NLP solutions to extract key data points. I am eager to apply these skills to automate and standardize your invoice reconciliation processes.

Best regards, Itay Ben-Dan
