Dear Hiring Manager,

As a Ph.D. in Mathematics with a focus on machine learning and over three years of experience in financial domains, I am equipped to develop AI solutions for your invoice reconciliation process. My expertise in Python, TensorFlow, and NLP, demonstrated in projects like Finzor Ltd., aligns with your requirements. I have a proven record of integrating diverse data into unified formats and developing predictive models, which will aid in optimizing your financial systems.

Best regards, Itay Ben-Dan
